Dear Mahaupasika Wangmo Dixey and Mahaupasaka Richard Dixey. And dear great supporter.

My name is Adicco Samanera, I am studying at Mahabodhi Society Bengaluru. I am from Arunachal Pradesh, I ordained as a Monk when I was 13 years old under Bhante Pannaloka at Mahabodhi Namsai in Arunachal Pradesh in 2014.

My parents are farmer, and we are six siblings, I was always interested in monk life. I told to my mother that I want to be a Monk, and they agree with it and supported and encouraged me. They sent me to Mahabodhi Namsai at Arunachal Pradesh, in 2016 I came to **Mahabodhi Society Bangalore** for higher study in Dhamma.

Maha Bodhi Society Bangalore was established by **Venerable Acharya Buddharakkhita (Bada bhanteji)** in 1956, with intention to bring back **Buddha-dhamma** in the land of its origin (India) and then he started training to monks and teachings then to grow on the path of Dhamma. He also wrote many books for the well of many people to grow on the path of Damma. The ambition of Bada Bhanteji was:

"Jotetu Buddhasasanam Bharatthasmim Ratthasmim"

"To revived the Buddhasasana in India."

I am very inspired by Bhanteji. I want to become great monk like Bada Bhanteji in Future, I will try to fulfil (Bada Bhanteji) dream. I completed 4 subjects last year **Sutta, Vinaya, Pali, and Abhidhamma,** taught by our teachers bhantes. I learnt how to control over our mind and in six senses and how to develop our mind with Panya (wisdom).

I learned from sutta pitaka some selected discourses from Dighanikaya (long discourses) and I learned from Abhidhamma pitaka about mind (citta) mental factors (cetasika) matters (rupa) and Nibbana. In Vinaya pitaka I learned about 227 rules Patimokkha pali with background story and why Buddha taught vinaya in sasana and what is the main reasons. In Pali subject I leant about translation, prefix and suffix joining word (sandhi).

Last year I also got the opportunity to participate in Tipitaka chanting programme. It was my first time to visit some of the main holy places of the supreme Buddha. All these holy places were inspiring and show us how the Buddha, his disciples, followers stayed at those periods and how they practiced. We did chant for the well beings of all living beings and for the long remain of teaching of Buddha in the world. I also got opportunity to meet you and Richard dexey.

Also last year I attended 6 meditation retreats under different teachers. One retreat was under venerable most Ajahn Anan from Thailand. It was indeed a great experience for me to learn meditation more deeply.

We celebrated Dhammapada festival (bada bhanteji birthday). In remembering of our great teacher most venerable Acharya buddharakkhita bhanteji by reciting whole dhammapada all day.

We also celebrated Buddha Jayanti by doing chanting, practising meditation and listening to dhamma discourses by senior teachers. Participated in the alms round offered by the devotees.

Lastly, I am very grateful and thankful to dear great supporter also to upasika wangmo dixey and upasaka Richard dixey for your boundless support to me in Buddha sasana.

I wish you by the blessing of triple gems (Buddha, Dhammma, and sangha) and by the blessing of bada bhanteji and the blessing of Mahabodhi MahaSangha. May you success in your material life and may you progress in spiritual life and finally may you attain supreme bliss of nibbana as soon as in this very life.

Sukhi hotu nibbanassa paccaya hotu

Thank you…

Sadhu! Sadhu! Sadhu!
